More about the Camino Finisterre:

Steeped in history and folklore, the ***Camino Finisterre*** is the only Camino route that begins in the medieval city, Santiago de Compostela and ends at the sea at the lighthouse in Finisterre. Meandering through ***quiet country villages, gentle forested trails, beautiful vineyards, and quaint seaside fishing hamlets***, this less-traveled Camino route offers you ***peace and tranquility***, arriving at our final destination, the westernmost cliffs of 'Finis Terrae', 'The End of the Earth'. Traveling at a 'snail's pace', on this Camino route, a ***'Sabbath Rest Day'*** is planned to allow you to integrate this once in a lifetime experience. Accommodations include charming country farmhouse inns, serving excellent regional cuisine.
